Additional Details

Excellent Communication Skills
Team player

Strengths

- A self driven learner with Front-End and Back-End knowledge. Passionate about implementing and launching new projects.
- Ready to learn new technologies/Frameworks and implement them to further improve my knowledge.
- A team player with good communication skill always ready to work for the enrichment of knowledge.
- Has working knowledge on Angular and Java Microservice Development using Spring framework on an intermediate level.
- Also Implemented Eureka Server and Semantic UI in case study and upskilling day by day.

Achievement

• Completed the BULT iTransform training in **Java Full Stack Development with Angular.**

• Completed Case study on **Doctor's App** : The main objective of the Doctor's App is a project that manages and stores doctors information electronically according to patients needs. The system helps both patients and App admin to keep a constant track of all the doctors available in the clinic.

• Completed AWS Cloud Practitioner Certification
